Holy Cross College

Office of the Principal

1 March 2010

Dear Holy Cross Parents,

In the Patrician Brother tradition, Holy Cross College enjoys a reputation for being a caring and friendly community, with a real sense of family. We would like to welcome both present and new parents to be a part of this community and would like to encourage your participation in events such as the **Works Day** (20 March 2010) and **Open Day** (21 March 2010). These are not onerous tasks but a great way of making friends and at the same time assisting in making Holy Cross College a better environment for our boys.

Works Day:- is a day when parents come to the school and assist in tasks such as gardening and painting. We have some tools, but it would be of great help if you were able to bring your own gardening tools, whipper snippers etc.

Open Day:- is an important date in the school calendar as it affords us the opportunity to show the wider community, especially prospective parents, what the school has on offer. We would like as many volunteers, both boys and parents to be a part of this day, even if you can only spare an hour or two. A number of boys will be involved in being tour guides, playing musical instruments, sport and other co-curricular activities.

We value any contribution that you are able to make. Please fill out the form below and return to your son's homeroom teacher by Monday, 15 March 2010.

Yours sincerely,

Mr Adam Taylor
PRINCIPAL
