

Holy Cross College, Ryde

Friday, 3rd February 2012

Dear Parents,

As part of the Preliminary Biology courses, students are required to undertake a field trip. This will form the main part of their assessment task for this term.

This year, students will be undertaking field work at Long Reef Rock Platform on **Friday 17th February**. The coach will leave the College promptly at 8am from the Cressy Road bus stop and return to the College at 4pm. To ensure departure at 8 am, students are asked to be at the College no later than 7.45 am.

The cost of the excursion was included in your school based charges on your Fee Statement.

Due to the changeable nature of the weather and the exposed location students are to pack personal items that will protect them. As this excursion will not be near any shops students are also required to bring a packed lunch and enough water to remain hydrated for the length of the excursion.

Students are to bring the following on the field trip:

- ◆ Pencil case - Pen, pencil ruler and eraser
- ◆ Clipboard
- ◆ A pair of enclosed old shoes (i.e. sand shoes) that can get wet – no thongs or any other non-enclosed footwear
- ◆ A dry pair of enclosed shoes for the journey to and from the excursion
- ◆ A bag for wet items of clothing and shoes i.e. a bin liner
- ◆ A spare change of clothes
- ◆ A towel
- ◆ Sun protection: Sunscreen and hat
- ◆ Lunch and a full water bottle
- ◆ Rain coat
- ◆ Jumper, hoodie
- ◆ Packed lunch/drinks & water
- ◆ Bag for all rubbish from lunch
- ◆ Backpack for carrying personal items

If you have any questions or queries please do not hesitate to contact me at the College on 9808 1033.

Please fill out and return the attached permission slip to me by **Friday 10th February 2012**.

Yours sincerely,

Mr Rowell Morales
